

She's just writing,  
okay?

It's the scene where the  
main character's uncle  
dies. I thought she'd  
be good at it.

You call this writing?  
Where's the subtext?

It's all just a bunch  
of sappy nonsense!

I'm sorry! I tried to!  
But it was just so  
saaaaad. ☹
